 - Lisa went through several questions in the survey
 - Kaitlyn will send skeleton survey to members who attended to see if there's any additional questions we could ask:
 - Initial input
 - Confirm existence of general comments section
 - What sort of work or life enhancements? Aside from wages, what is important?
 - Communications
 - Is it worth asking if you receive emails or texts from us on personal vs work email?
 - What communication methods/media/forums would you be most likely to use, OR do you use?
 - It was decided that comms questions like this would be addressed separately to the negotiations survey.
 - Questionnaire is technically anonymous but does ask what department they work in- make this optional for optimal anonymity?
 - The idea of open meetings to nonmembers was floated.
 - For the next meeting, Kaitlyn will send in the agenda email that non members who would like to attend on a one time basis are welcome provided they message the Recording Secretary beforehand so they don't get kicked out.
