A STRONG, UNITED VOICE FOR
MINNESOTA'S WORKING PEOPLE

SCHEDULED WORKSHOPS

AFL-CIO Organizing Institute

April 12-14
St. Paul, MN

The MN AFL-CIO is proud to host educators from the national AFL-CIO for the Organizing Institute -the leading training institution for union members. Join us in April to learn new tactics for organizing your members!

Racial Justice Bootcamp

June 20-21
St. Paul, MN

Race dynamics and justice are complex and challenging. But we cannot truly stand in solidarity if we don't understand the things that are keeping us divided. In this workshop, we will dig deep into how different kinds of racism show up in our work and our lives.

Union Member Candidate Program

July 22-23
St. Paul, MN

Have you thought about running for office or working on a campaign? The labor movement needs you! Whether you are thinking about local races or the legislature, this program will teach you what it takes to win the race!

Strike School

December 5-9
Minneapolis, MN

Our most powerful tool is our ability to withhold our labor. That can look different depending on the time, place, and purpose. In this workshop series, we will explore the history of strikes, learn about organizing and solidarity, and practice direct action tactics.

*We ask locals to support this effort with a contribution. The MN AFL-CIO is committed to making these resources available to any local regardless of ability to pay-reach out to learn more.

AVAILABLE BY REQUEST AT YOUR LOCAL

These workshops can be delivered in-person or virtually and can be customized for your local. Reach out to schedule a workshop!

Anti-Union Inoculation

Anti-union organizations are coming after our members-learn how to fight back! In this workshop, we will learn about anti-union rhetoric and practice having conversations with our co-workers.

Radical Invitation

Organizing is a team effort, so low turnout and engagement is disheartening. In this session, learn how to invite and welcome them in so they keep coming back!

Personal Narrative for Organizing

Our stories are powerful-sharing our own stories and listening to others' supports solidarity. Learn to tell your story in a way that is compelling and helps others to understand what you care about and why.

Don't see what you need? We would be happy to work with you to create and deliver training you need for your members!
