 - First meeting is for the 1st floor – Gov. Center, Bldg. Svs., and Assessors on Thurs., April 28.
 - The 2nd floor Com. Svs. – Gov. Center meeting is on Thurs., May 12.
 - The 3rd floor Com. Svs. – Gov. Center meeting is on Thurs., May 26.
 - Could do 4th and 5th floor meetings together.
 - Lynne to check if any support or confidential staff on 5th floor.
2. Lynne walked us through the employee survey on SurveyMonkey.
 - We discussed each question in the survey and suggested some changes.
 - M/S/C to approve SurveyMonkey funding for 3 months by Ryan and Robbin.
3. Lynne discussed the MOA (Memorandum of Agreement) of the WFC contracted (ESR) employees.
 - Went over specific concerns like seniority. Need seniority order for these contracted employees coming over to county so if we have any lay-offs in the future we don't have current county employees with higher seniority laid off before these contracted employees.
 - Bringing these contracted employees over to the county is excellent for the contracted employees and our bargaining unit.
 - We need to vote on the MOA. List voting on the next agenda.

Meeting adjourned at 12:59 p.m.
