    - The proposed budget was approved at the E-Board meeting.

    - 2016 budget was approved by membership.
4. Secretary's Report:
  - M/S/C by Robbin and Jody to approve minutes as posted.
  - Barb requested the minor error (\$ or % sign) be corrected on the minutes from 11/12/15.
5. Chief Stewards' Reports:
  - Copy of letter regarding the class action was received – being dismissed.
    - Felt probably happened but no way to prove so it's hear say.
    - How can we improve?
      - Change language in the contract. Firm up. Some staff have to jump hoops while others get supervisor writing a letter to move them.
      - It has improved.
      - John said to catch violations as they occur. Our intent is not to remove someone from a job. Don't count on the employer knowing the contract language.

- County would not agree to discuss contract language in leadership/management meeting.
  - We just asked them to train their managers.
  - John said we don't want to discuss grievances with them. We asked them to tell us how they handle promotions, reclassifications, and new positions. Posted vs. reclass. County had a diagram with inconsistent information. John plans to talk to county during bargaining.
- Jody said there's a possible new steward.
  - John is willing to train anyone; even current stewards as a refresher. It's a 2-2 ½ hr. curriculum. He can train on a Saturday. Used to be a 2 day training.

#### 6. President's Report:

- Save the date: April 4, 2016 is Day on the Hill.

  - Ryan, Barb, Jody, Adam (stay on), and Christy are interested in being on the committee.
  - Have had 6-8 staff on the committee in the past. If we have a bigger committee this time, we can split the tasks.
  - You can be on the committee if you are a steward.

  - M/S/C by Ryan and Jody/Barb to cover pay for Nate and Christy to attend.

## 7. Business Rep Report:

- External Report:
  - Wash. Co. HRA ratified their agreement – 2 years. Left county health care with Health Partners – better than HSA plans offered.
  - The City of Stillwater Library ratified on Monday.
- Internal Report:
  - Friedrichs Supreme Court Case:
    - If we lose case, our members don't have to pay union dues but they will still receive the benefits of the union.
      - Believe we'll lose 60% of our membership.
    - This court case affects ALL unions, associations, and groups; any representation of public employees.
    - We have new membership cards. Asking members to sign cards to reaffirm their membership in the union for 12 months.
      - Other groups use these cards; we're behind the times.
      - If an employee leaves Wash. Co. to work in another MN County like Ramsey Co., they will still be a fee payer in Ramsey Co. because they committed to AFSCME for 12 months. This is not a card for Local 517.
    - John submitted plan:
      - Schedule lunch meeting at each County site with food supplied by the union treasurer as a chance to reach out for new membership card signatures.
      - Ask those "who care" to take more cards and get current members to sign.
      - Do not mail these cards; get them to John.
      - Don't leave the cards with people to think about signing; either sign now or they should come to you to sign a card.
    - The County knows which employees are fee payers. They will know at negotiation time how strong our membership is based on our number of fee payers.

## 8. Old Business:

- Adam asked if anything has been done yet to create a database to track grievances. He has offered to help set up the database.
  - John said AFSCME has a database. He can query local 517 grievances; 5-10 years worth.
  - Having a database will help so others, besides John and stewards, can view the information.
  - Christy said she would email Lynne to set up a meeting to get information.
- Lynne emailed about Nate wanting a replacement for the New Employee Orientation.

- Robbin offered to help but asked that others be available to back-up.

She said:

- It's hard to get ahold of new employees outside of the new employee orientation.
- New employees feel left out if we don't talk to them at the orientation.
- New employees may pass judgement on the union - - no time for them.

- Lynne has a presentation to use; you don't just read off of a PowerPoint slideshow.

9. New Business: None.

10. Good & Welfare: None.

Motion to adjourn at 12:59 pm M/S/C
